Send in your completed form and certified documents

The completed form and certified copies of your identity documents must be mailed to:

The address is:
Service Victoria
Locked Bag 3040
BALLARAT VIC 3353

1. Ensure you have completed all sections
2. You should be attaching up to 4 certified documents:
 - 3 if your names match
 - 4 if you've had a name change
3. You should include two passport quality photos if you told us to save your ID for 10 years.

After you apply

Your employer or self-managed NDIS participant will have 30 days to verify your application and confirm that you currently work (or intend to work) for them through the Commission's National Worker Screening Database (NWSD). If your application is not verified it may be withdrawn.

After your application has been verified it can take up to 3 weeks for us to assess your application. In most cases, this will be a much shorter period (for example, if there is no criminal history to assess).

However, if there is a need to assess information, it may take up to 3 weeks for us to assess an application. This time may be extended if:

- an employer takes longer to verify an applicant's engagement with them
- you have a common name
- a criminal history record or a finding has been made against you by a relevant disciplinary or regulatory entity.
- you lodge a manual application directly to the Worker Screening Unit

You cannot work in an NDIS risk assessed role until you have received an NDIS Clearance, unless you are subject to a transitional arrangement.

If your check is successful

You will receive an email to advise that you have been given an NDIS Clearance. Your NDIS Clearance status will be recorded on the NDIS Commission's National Worker Screening Database (NWSD).

You will not receive a card or certificate. Your employer can check the status of your NDIS Clearance on the NWSD at any time. Registered NDIS providers are required to link workers to their organisation through the NDIS Commission portal.

An NDIS Clearance is valid across Australia for 5 years unless it is surrendered or revoked.

Your Clearance may be suspended or revoked if you are charged with or found guilty of a relevant offence, or if an adverse finding is made against you by a relevant disciplinary or regulatory entity.

How long will it take?

- The entire check can take up to 8-12 weeks.
- We can't complete your check if you don't supply all certified documents as asked.
- Information on how to keep your details up to date can be found here [**vic.gov.au/ndis-worker-screening-check**](https://vic.gov.au/ndis-worker-screening-check)

We handle your identity information following the Service Victoria Act 2018 and privacy and security policy. Read it online at [**service.vic.gov.au/privacy-and-security**](https://service.vic.gov.au/privacy-and-security)
